

3.1 Connection diagram

ST Suction tube
EB Electric brush

Fig. 1: Connection diagram

- M1 Blower motor
- M2 Electric brush motor
- PCB1 Control module
- PCB2 User interface module
- PCB3 Double microswitch module
- CP Contact plates for battery / installed on the back side of control module
- BAT Battery
- ADP Power supply unit
- SC1 Socket / for power supply unit
- BAT Battery
- SW1 Microswitch 1
- SW2 Microswitch 2
- DB Dust box
